### Capital Budget Request Form

Agency Number	Blank	Department Name	City Park
Project Name	Botanical Garden Conservatory & Plaza Expans	Department Priority Ranking	1
Project Type	Renovation	Is a Land acquisition needed? (Y/N)	No
Will this project be a permanent immovable improvement?	Yes	Does the request meet the General Obligation Bond requirement?	Yes
Project Address	1 Palm Drive, New Orleans, LA 70124	Council District	A
Detailed Summary: Include Scope of work, parking requirements, landscaping, etc.	The expansion of the Botanical Garden Conservatory will serve as the heart of the Garden's Conservatory Complex. This space will open directly from the present glass rotunda and is designed to give visitors a preview of the new exotics greenhouse. The atrium will serve as a multi-purpose setting available for horticulture exhibitions, lectures, and special events. An outdoor plaza will work in conjunction to provide much-needed space for visitors to enjoy the Garden. We are requesting \$700,00; the remainder of the cost will be raised from other sources.		
Five Year Summary	The expansion of the Conservatory fulfills the mission of the Botanical Garden to save the original core of the Works Progress Administration Rose Garden, while expanding its plant collection and programming. The new space will serve as a location for new exhibits and other programming, drawing larger crowds and generating increased revenues for the Garden, as well as economic activity in the City. This project will increase our current operating expenses, but these expenses will be offset by additional revenue generated by the expansion.		
Has an Architect or Engineer prepared drawings for this project?	Yes	If Yes please explain how this was funded and current status	Conceptual drawings are completed, funded by City Park.
Will this project increase your department's current operating expenses? (i.e. require additional staff, maintenance, utilities)	Yes	Please provide estimate of increase or decrease operating costs.	Will be offset by fee-based revenue.
Estimated Cost of Project: (include Design, Construction, Testing, Contingency, etc.)	\$ 700,000.00	Proposed Funding Source	Bond Funds
Does this project fall in line with the current Zoning requirements	Yes	If no please list required change	
Please discuss how the project conforms to objectives and recommendations of the Master Plan:	Chapter 7 of the Master Plan, "Green Infrastructure: Parks, Open Space and Recreation," requires the maintenance of existing parks, green spaces, and recreational sites to a high level (Volume 2, Page 7.20), as well as recreation offerings that meet changing citizen needs (Volume 2, Page 7.22). The Conservatory and Plaza project is a much-needed expansion of an existing facility that will provide space to host new exhibits, traveling horticultural shows, and garden programming that are in demand among citizens. These new offerings will also increase visitorship and revenue at the Botanical Garden, in turn enabling the Garden to continue the maintenance of its facilities at a high level.		
What Benefit(s) will be provided to Public from this project?	The public will benefit from the additional programming and exhibits made possible by this project, as well as additional space for special events and enjoying nature.	For what year are you requesting the Project? 2015,2016, 2017, 2018,or 2019?	2015
Is the surrounding infrastructure(i.e. utilities, road network) sufficient to support the intended use of the project?	Yes	If no please discuss required improvements and estimated costs

Project Name	Pan American Sports Complex Improvements	Department Priority Ranking	3
Project Type	Renovation	Is a Land acquisition needed? (Y/N)	No
Will this project be a permanent immovable improvement?	Yes	Does the request meet the General Obligation Bond requirement?	Yes
Project Address	1 Palm Drive, New Orleans, LA 70124	Council District	A
Detailed Summary: Include Scope of work, parking requirements, landscaping, etc.	This project will construct a new soccer field immediately north of Pan American Stadium. The field will feature lighting and fencing and a turf surface. Parking for 75 cars is included in the project.		
Five Year Summary	The construction of a soccer field near Pan American Stadium will meet the extremely high demand for soccer facilities at City Park. The artificial turf surface will provide for year-round, intensive play, while the field's location near Pan American will lend itself to tournaments. The field could also be used for a wide variety of other athletic events by various leagues, schools, and universities, easing the shortage of high-quality athletic facilities in the City.		
Has an Architect or Engineer prepared drawings for this project?	No	If Yes please explain how this was funded and current status

Project Address	1 Palm Drive, New Orleans, LA 70124	Council District	A
Detailed Summary: Include Scope of work, parking requirements, landscaping, etc.	This project includes the construction of a large, multi-use, open-air ampitheatre in the northeast corner of the Festival Grounds suitable for outdoor concerts, events, and performances. It will incorporate tie-ins to the electrical system, as well as surrounding landscaping.		
Five Year Summary	The construction of an ampitheatre at the Festival Grounds will enable City Park to expand its offerings to community groups, schools, and event promoters. The large stage will provide an ideal setting for concerts, plays, dance performances, even graduation ceremonies, drawing increased usage of the site. With the potential to attract larger events, the ampitheatre project will generate revenue for the Park and the City.		
Has an Architect or Engineer prepared drawings for this project?	No	If Yes please explain how this was funded and current status	
Will this project increase your department's current operating expenses? (i.e. require additional staff, maintenance, utilities)	No	If yes please provide estimate of increase in operating costs.
